Re: Docket Nos. 4770 and 4780

Dear Ms. Massaro,

I write relative to the hearing noticed by the Commission in connection with various motions to intervene that have been filed in the above-entitled matters. The Division does not object to any of the parties who seek to intervene in either Docket No. 4770 or 4780. Due to the Division's non-opposition to the pending motions, the Division does not intend to attend the oral argument noticed for February 14, 2018.

Respectfully submitted,

Division of Public Utilities and Carriers,

Leo J. Wold
Assistant Attorney General
